Freight class: 85 UPS.

## CONSTRUCTION

20-gauge steel shelves. Top shelf with 20 gauge steel stiffener. 14-gauge steel legs. Arc welded caster sockets "Quiet Glide" caster system with plastic caster inserts. Color: Black powder paint Casters: 4" Black hard rubber (2 with locking brakes) Each caster is load rated to accept 125 pounds.

## SUGGESTED SPECIFICATIONS

Adjustable TV Cabinet Tables has three (3) 24" x 28" shelves. Each shelf is press-formed with a ¼" lip bordering the top surface on all four sides. A Black rubber mat 24" x 28" is placed on the top shelf. Shelf has two (2) ⅜" diameter holes centered on the right side, the left side and the rear to accept an optional electrical assembly. Table has an adjustable top section that consists of one (1) 20-gauge 24" x 28" shelf with four (4) 14-gauge steel legs 31" L. Each leg has two (2) ¼" diameter holes in the center of the leg that will accept a ¼-20 machine screw. The holes are spaced 4" apart to permit ten (10) table adjustments of 36", 38", 40", 42", 44", 46", 48", 50", 52" and 54" in height when matched to the bottom section of the table. Each upper leg fits over the bottom section of the table and is secured at the desired height by the machine screw. The bottom section of the adjustable table consists of a 20-gauge steel cabinet with a 25" W x 17½" H x 21" D interior dimension. Cabinet has one (1) 20-gauge steel door 24½" W x 17½" H with recessed handle and lock. Door is attached to a full-length piano hinge so it will open 180 degrees to allow access to stored equipment. Each lower leg has two (2) ¼" diameter holes down the center of the leg so it will accept a ¼-20 machine screw. Each hole is 2" apart to permit table height adjustments (as noted above). Casters are mar-resistant Black hard rubber and 4" in diameter. Each caster assembly has ball bearing swivel capabilities and steel construction. Two (2) have locking brakes. Optional electrical assembly is completely enclosed with two (2) grounded outlets and two (2) ⅜" diameter machine screws with wing nuts for attaching unit to the table. Optional electrical assembly is UL Listed when attached to the table. TVCA3654 Adjustable TV Table ships ready to assemble in two (2) cartons. The cabinet pack ships in one carton 31" x 27" x 23½" and the rest ships in one carton 26" x 4" x 30½".
